

PRODUCT RANGE
SEASON 2022

UK / VERSION 1.0

Products made personal.

We take incredible care to embellish quality branded golf accessories & equipment with your brand, ensuring the best visibility as well as comfort and usability.

It's our product, made personal to you.

THE CHOICE OF CHAMPIONS

Level 4 has built an enviable reputation for supplying high quality branded merchandise for some of the biggest sporting events in golf.

LOGOS FOR PERSONALISATION

EMBROIDERY

We have to digitise your logo to enable embroidery of any product and it is not necessary to supply a vectored or high resolution image of your logo for us to achieve this. The digitising process converts your logo into a DST file which the embroidery machines will read to create your embroidery. There is no charge for creating the initial embroidery files - this includes one DST file and an embroidered swatch.

PRINTING

All printed items, with the exception of ball markers, require a 'vectored' logo unless text only is required. These are usually .pdf, .eps or .svg files - **jpeg, .png and .gif files are not generally acceptable for use.**

If you are unsure whether your logo is vectored or not, please contact the Level 4 team who will be happy to advise you.

TYPES OF EMBELLISHMENT
